Techniques to Know

- Twist Knots

INSTRUCTIONS:

1. Twist-knot the middle of multiple colored pipe cleaners along the middle of the top and half-way down the sides of a headband so they stand up off the headband. Alternate colors of chenille and tinsel pipe cleaners.
2. Slide corrugated barrel beads down onto joined chenille pipe cleaners so they rest close to the base of the headband.
3. Slide smiley emoji beads down onto joined tinsel pipe cleaners so they rest close to the base of the head band.
4. Slide star beads onto the individual tips of chenille pipe cleaners.
5. Use child safe glue pompoms along the front side of the pipe cleaners and allow to dry.
6. Repeat above steps to make multiple headbands.
