## Techniques to Know

Basic Tracing & Cutting

## Instructions:

1. Fill each side of the plastic ornament with pom poms. Close the ornament.
2. Remove adhesive from two wiggle eyes and press the eyes onto the front of the ornament.
3. Print out attached patterns and cut out pattern pieces.
4. Trace two turkey feet (shanks) onto the back side of a piece of orange felt. Cut out the feet. Use glue gun to glue the feet to the bottom of the ornament.
5. Trace the wattle onto the back side of a piece of white felt. Cut out the wattle and use the red marker to color the felt red. Remove a small section of adhesive backing on the end of the wattle and press it onto the front of the ornament.
6. Trace the beak onto the back side of a piece of orange felt. Cut out the beak. Remove the adhesive backing and press it over the base of the wattle.
7. Trace feathers onto the back side of brown, yellow, green, and orange felt pieces. Cut out the feathers, arrange them, and use the glue gun to glue them together. Use glue gun to glue them to the back of the ornament.
8. If you wish to hang your turkey as an ornament, cut the desired length of monofilament. Tie one end of the monofilament to the holes on top of the ornament. Tie the other end of the monofilament into a hanging loop.
