Techniques to Know

Cutting Wire

INSTRUCTIONS:

1. Drill a small hole in the top left hand corner of your scrabble letters.
2. Wrap 20 gauge wire multiple times around the barrel of a pen or fine point sharpie. Use wire cutters to cut across a section of the wrapped wires to make jump rings.
3. Insert a jump ring into each drilled hole in the scrabble letters.
4. Use needle nose pliers to break off the bend at the end of an earring hoop.
5. Slide desired beads onto the earring hoop, with the jump ring of a scrabble letter in the middle.
6. Bend the end of the earring hoop back and slide the bend through the hoop on the other side.
7. Repeat steps 4-6 until you have completed your words or sayings.

8. Open the earring hoop and close the wine charms around the stem of wine glasses.
